

Massachusetts General Hospital Nurses' Alumnae Association

Annual Fund Drive

Each year the Massachusetts General Hospital Nurses' Alumnae Association (MGHNAA) solicits philanthropic support from graduates of the MGH School of Nursing as part of the MGHNAA Annual Fund Drive. Such support assists in the cost of publications and mailings, the annual Homecoming, educational efforts, historical projects, maintaining office services, and other initiatives.

The Annual Dues is unable to meet these expenditures. The MGHNAA is a volunteer association with alumnae contributing countless hours to serve the membership. We ask for your generous, loyal support through the MGHNAA Annual Fund Drive to help defray such expenditures so that we may continue the current level of interests of our constituency.

The MGHNAA through the Scholarship and Loan Programs offers assistance to both graduates of the MGH School of Nursing and current students pursuing nursing and advanced nursing education at MGH Institute of Health Professions-MGH Institute School of Nursing. Detailed information on these funds can be found in the Scholarship section of the MGHNAA web page.

Donations to the MGHNAA are tax deductible based on the limits of the tax codes.

You can send your contribution to the MGHNAA Office:

MGH Nurses' Alumnae Association, Inc.
P O Box 6234
Boston, MA 02114
